

Why should you know about your Medicare rights?

Because there are things you can do to help make your care (and the care of others) better.

- Did you know that you can file an appeal if you were admitted to the hospital but feel you are not ready to leave or if you think your skilled services are ending too soon?
- Did you know that you can file a complaint if you have a concern about the medical care you had?
- Did you know that you can call Kepro and ask for Immediate Advocacy for issues that need to be dealt with right away?
- **Did you know that these Kepro services are free for you?**
